

SPECIAL FORMATS

Due to the custom nature and large flexibility we have with our special formats, please reach out to discuss your event needs and we will happily accommodate these formats accordingly!

Most of our special format options can be customized to suit Gluten Free and Vegan guests.

Please inquire should you require us to accommodate dietary restrictions or preferences.

Paella Party

EXQUISITE VALENCIA TRADITION.

In the middle of the dining room or event space, on a rooftop or in your backyard, live paella always draws a crowd.

We've stirred our spoons and served parties of up to 300 guests providing amazing paellas with traditional Spanish ingredients and the freshest local produce available.

We do this as a food station, but we also can make the whole party revolve around it!

Taco Truck

TRUE MEXICAN STREET FOOD

Our sister restaurant Grand Electric produces some of Toronto's finest Taco's.

We are always excited to be able to bring the truck out to your event and serve up the real experience to your guests.

Argentinian BBQ

AUTHENTIC ARGENTINIAN ASADO

Live-fire, smoke, fresh seasonal ingredients, fish, sausages, large cuts of protein, marinated meats, local produce – all of these meet when placed atop our portable grill rack system that we are always more than happy to setup for your outdoor event.

Wood-Fired Pizza

MANGIA BELLO!

If you like pizza as much as we do, then you'll think it's a great idea to have a wood-fired pizza oven at your next event.

Let us chop up some wood and fire-up Neapolitan pizzas while you enjoy a much deserved break.

Peruvian

BALANCED & SPICY!

Our head chef is from Peru and lived in Hong Kong for 7 years, this is his favorite portion of the menu needless to say!

We incorporate some traditional Peruvian dishes with the large Japanese and Chinese influence found in Peru.

Think Ceviches & Tiraditos alongside Gyozas, Nigiris and Makis, Dumplings & Pork Buns, Lomo Saltado & Fried Rice, Miso & Aji Amarillo, Sake & Pisco.

If you know some of these dishes then you are hungry already, if not, please let us show you!
